SECTION: Able-Bodied Adults Without Dependents (ABAWD)

SUBJECT: Overview

REFERENCES: 7 CFR 273.24

EFFECTIVE DATE: October 1, 2013

INTRODUCTION: Montana qualifies for a 12-month statewide Able Bodied Adults Without Dependents (ABAWD) waiver because the Department of Labor's Unemployment Insurance Service determined Montana meets the criteria for extended unemployment benefits. The Food and Nutrition Service (FNS) approves waivers if a State's unemployment triggers the criteria for extended benefit compensation (EB), regardless of whether the State has elected the option to offer EB itself. States that meet the EB criteria can qualify for a 12-month statewide ABAWD waiver.

Montana is one of 42 States or geographic areas meeting this criterion. FNS approved a waiver to suspend ABAWD time limit provisions through September 30, 2014.

POLICY CHANGE: ABAWD time limit provisions are suspended from October 1, 2013 through September 30, 2014.
